We welcome your original review and feedback of the Study Bible, but in addition we'd like to provide you with some basic information that you can share about the Ignatius Catholic Study Bible:

**In 1997, Fr. Fessio asked Dr. Hahn to work with Ignatius Press to develop a new Catholic Study Bible** because he saw a great need to help Catholics read Sacred Scripture with the heart of the Church.

**It is simply the most ambitious undertaking of its kind in our generation!** Dr. Hahn and Ignatius Press worked with Curtis Mitch and top Scripture scholars and teachers from around the country for twenty-five years to give the Church an authentic Catholic Study Bible.

**The Ignatius Press Catholic Study Bible draws insights from the best of modern scholarship as well as the Fathers and Doctors of the Church, ecumenical councils, and the *Catechism of the Catholic Church*.** This gives readers a sense of how Christians have read the Bible for centuries.

**The Ignatius Catholic Study Bible makes reading and understanding the Bible easy for every Catholic.** The more you use it, the more you want to come back to it!
